Il vino dal tralcetto

Pinot Grigio Terre di Chieti IGT

Type: Pinot Grigio Terre di Chieti IGT

Alcohol content: 12.5% ABV

Grape variety: Pinot Grigio

Winemaking: vacuum pressing to extract the free-run must, cold settling of the must and fermentation of the clear fraction at a low temperature

Ageing and maturing: assembly in steel vats with subsequent ageing in the bottle

Tasting notes: light, brilliant yellow colour with greenish highlights; delicate bouquet, subtle and elegant flavour, fragrant and beautifully harmonious nose

Lifespan in the bottle: it should be consumed within the year after the year it is produced in order to fully enjoy its organoleptic characteristics

Serving temperature: 10°C

Storage instructions: store in a cool, dry place

Transportation instructions: transport at a controlled temperature
